She felt stuck, and wasn't getting the
qualified leads she expected.

WHAT WE DID:

We kicked limiting beliefs in
the face and upped her prices.

1

FROM SERVICE TO JOURNEY

I helped her switch from a price
sensitive service to selling a journey.

2

POWERFUL CONTENT MATRIX

Showed her the 'Maker Method' to
prove her competence to her
audience through her content.

3

SALES METHOD MAGIC

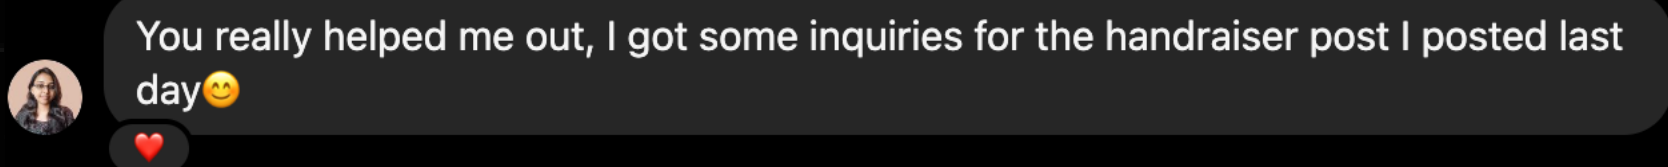

I helped Sree action a simple sales method, getting her a constant influx of leads.

4

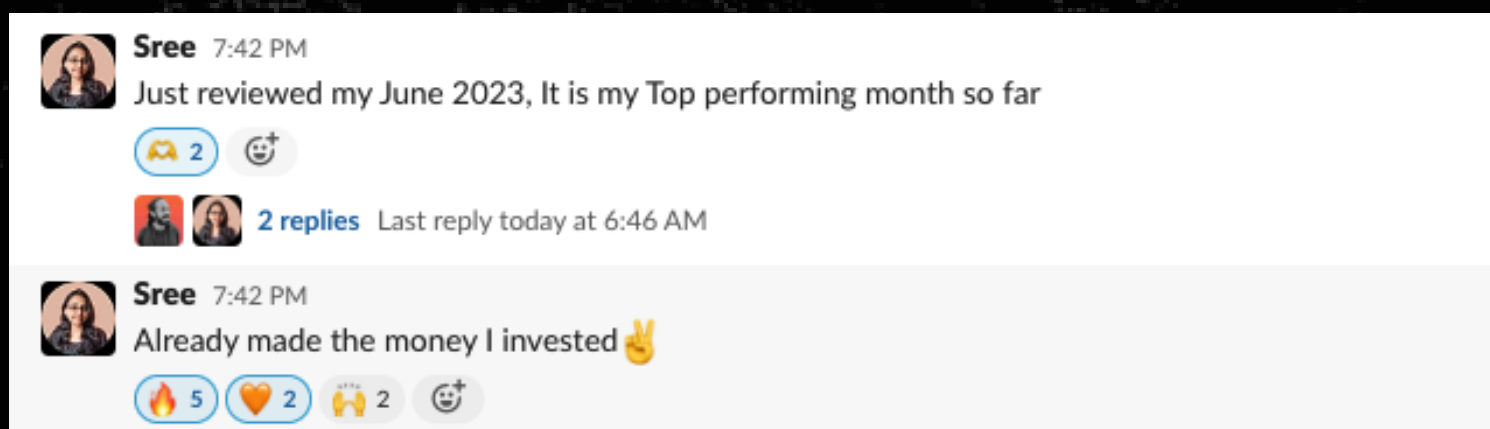

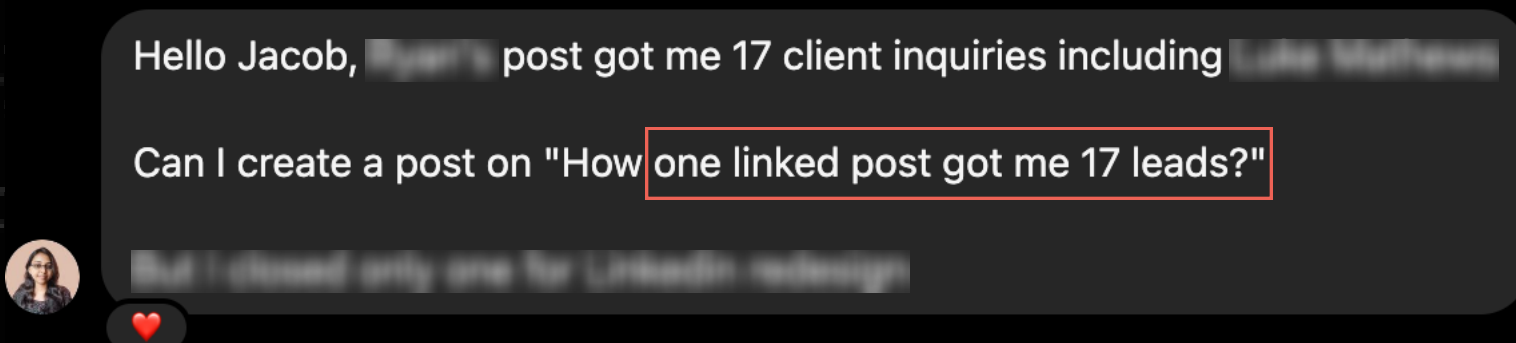

THE RESULT:

Doubled her income in 19 days.

**THE
BEST
PART IS
THAT...**

Sree and I have only been working together for 3 weeks.

We have another 5 months together for the investment she made.

I am stoked for what we're about to achieve.

Value outperforms virality.

DM me “**MAKER**” if you want to work with me and fill your inbox with happy clients.

‘Cos, this is how we boogie.
